# ABOUT UNIVERSITY

Altai State Medical University is one of the leading medical schools in Russia located in the West Siberian part of the country. The university conducts high-quality training programs with 25,000 leading teams of doctors and pharmaceuticals for the regional healthcare system. The university stands for one of the central hubs for research, education and cultural exchange.

Since years, the university has produced around 30,000 graduates. Yearly, around 4000 students appear for medical programs at the university. Most of the students are from foreign countries like India, Iraq, Bangladesh, Germany, Kyrgyzstan etc. In 1991, the university established the faculty of international students.

Under the faculty, the university prepares a number of foreign students in various disciplines like General Medicine, Dentistry, Pediatrics and Pharmacy. The university has active participation in the implementation of scientific projects, clinical research and innovation related to science and technology.
